Dear Rev. Fathers and Brothers of
Pauline Family,

Greetings of peace and joy to you all in the sweet name of Jesus. May these few lines find you hale and hearty. It is with immense joy and happiness the editorial board brings out the present edition of the Pauline Newsletter 2022 after a considerable gap due to various reasons of inconveniences and delay. As we know, it is better to be late than never. The book of Ecclesiastes says, "Everything blooms in its own time and everything beautiful for its own time" (3:11), and now the time is ripe for our Newsletter. I take this opportunity to congratulate the members of the editorial board for their hard work and dedication

in bringing to light, the tidings about our Brother Priests and the Seminarians. It is in fact a collective endeavor not only of the editorial team but of the Pauline fraternity and brotherhood as a whole. The joy of sharing each one's experiences enriches us and strengthens us in our life as members of Pauline family. I express my sincere gratitude to the members of our Pauline Family who shared valuable information from the places of their ministry. I along with the other board members extend our sincere appreciation to the previous editorial board for their tremendous service they have rendered for publishing the Newsletter all these years.

In September 2021, Pope Francis invited Catholics worldwide to take part the Synod on Synodality. Synodality designates the specific *modus vivendi et operandi* of the Church, the People of God, which reveals and gives substance to her being as communion when all her members 'Journey Together' gather in assembly and take an active part in her evangelizing mission.

The three touchstones of the process of 'Journeying Together' are Communion, Participation and Mission. These three touchstones are explained; Communion means unity amidst diversity, which finds its deepest roots in the love and unity of the Blessed Trinity. Secondly Participation builds on communion and seeks the involvement of everyone in this process of deep, respectful listening to each other. Thirdly Mission indicates that we have a shared sense of direction, the Holy Spirit leads us forth to share the love of God with the whole human family, and especially

"those who live on the spiritual, social, economic, political, geographical and existential peripheries of our world."

This call for synodal church puts before us certain questions to reflect upon. How is this "Journeying Together" happening today in our particular Church? What steps does the Spirit invite us to take in order to grow in our "Journeying together?"

In the light of Pope Francis' emphasis and focus on synodality in the Church in the event of the great ecclesial moment of the upcoming 16th Synod of Bishops, obeying the spirit of the Synodal Church, let us be in communion with each other, participate in the life of the Province actively as we are expected to do in the Church and live our mission with the strength of mutual sharing of our experiences so that we may live better our missionary call as members of St. Paul Province of Heralds of Good News. Synodality indicates walking together and listening to one another, above all to the Holy Spirit. The fruit of living synodality is receiving and living unity and its fulfillment. It indispensably requires the individual realization of each one's role and duty to live with active participation and collaboration in the life of the Church and in the life of our Province for continuing the mission of Christ as true and credible Pauline Heralds with the authentic sense of satisfaction and fulfillment. Let us be united in prayers and fraternity that we may live fully the time of grace. May God bless us all.

Provincial's Desk

Prayerful Greetings from Cenacle,

“Alpha, Beta, Gama, Delta, Omicron, Sigma, Upsilon, Omega”! These are some of the easily recognized and memorized letters in the Greek alphabet. Most probably, the words of Revelation come from this order of alphabets. “I am the Alpha and the Omega”, says the Lord God, who is and who was and who is to come, the Almighty (Rev 1:8). This verse of revelation is being repeated at the end of the book too with an addition “I am ..., the beginning and the end” (Rev 21:6) and “the first and the last” (Rev 22:13). This reference of the book of Revelation is commonly and extensively used in the Catholic liturgy. Very interestingly, these letters of the alphabets are often heard in the recent years to characterize the variants of Covid-19 virus.

The letters like Beta, Gama, Delta and Omicron are utilized already to indicate changes, this virus has undergone through mutation. In fact, this virus seems to have undergone thousands of mutations from its origin. No one is willing to communicate to

the world with certainty about this virus and its variants. How many more variants are yet to come, how many more years it would last, how fatal will be the coming variants, etc. Will these letters of be sufficient to indicate the variants of this Virus, no one is able to predict. Viruses constantly change through mutation. When a virus has one or more new mutations it's called a variant of the original virus. Omicron, Delta Cron, Nov Cron, Neo Cov are some of the most recent variants of this virus that we hear from media and other sources. How many more names we are to be familiarized with during this period of pandemic.

We witness helplessness and hopelessness everywhere. As the virus constantly changes through mutation the human scenario too undergoes drastic and sometimes even devastating transformations almost every day. The family scenario is no more the same as precovid-19 times, economic sector witnessed drastic changes, employment sector is no different in this Covid-19 era, the status of faith formation and the life of the Church is also in deep crisis.

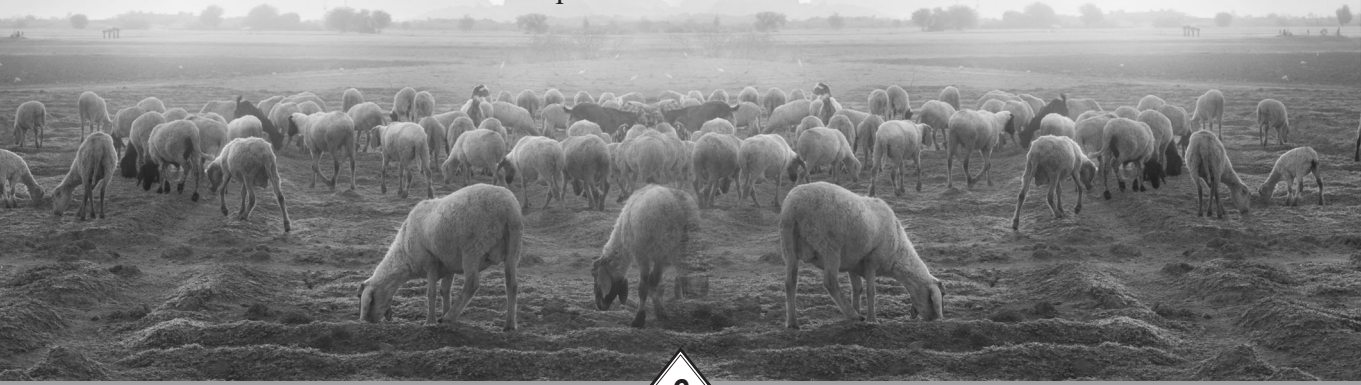

Probably, we waited patiently to restart everything after the complete elimination of this pandemic, which does not seem to come to an end. We intended to make over for whatever we have failed to do during this period, which never seems to begin till today. We had so many channel discussions and expert opinions for a post-Covid-19 human society reconstruction, which will never begin without Covid-19 virus is totally eradicated. The appropriate discussion and solution might be a suitable and effective action plan for and during Covid-19 pandemic. There is an interesting episode depicted in the Gospel of John chapter 5; an argument between Jesus and the Jews. Jesus answers to the Jews “My Father is still working, and I also am working” (Jn 5:17). This is the attitude of Jesus and that must be the attitude of every minister of the life and person of Jesus.

Church in India, alike Church in Europe is under deep crisis. Church is attacked, criticized and humiliated constantly unlike before. We the ministers in the Church become scape goats and references of mockery. “When people wish to destroy Religion they begin by attacking the Priest. Because where there is no Priest there is no Sacrifice” well said by St. John Vianney, the Patron of Priests. When a shepherd is

captured, the sheep are scattered in such a manner no more to return or to be gathered again. The situation of the shepherd and sheep is similar today. We are captured and the sheep entrusted to our care are scattered and we may never again meet them or able to gather them together in the future.

Covid-19 pandemic is to be considered as a lightening of *Minnal Murali* (a recent Malayalam feature film which attracted the attention of global screening), point of enlightenment and divine inspiration, reference of spiritual and moral awakening, and a boom for actions like super heroes. Vocation is an unmerited gift and don’t undertake human careers in this unmerited gift given to us as ministers in the Body of Christ (Pope Francis). The first (Alpha) and the last (Omega) letters of Greek alphabet be always the letters of our complete action plan for our priestly life and ministry. Let us not be indifferent, inactive, lethargic, lukewarm in our thinking, in our proclamation of the Good News and in our actions as true agents of Christ. Let us save our Faith, let us save our Mother Church. May the grace of God instil in us the fire of his Spirit and love.

NEWS FROM THE MINISTRY PLACES AND SEMINARIES

ST. PAUL'S SCHOOL, DHONEKHONA

Greetings from St. Paul's Community Dhonekhona.

Dear Fathers and Brothers, we are happy to share with you some of the events that have taken place in our various ministries. At the outset of this information we hope and pray that all of you are keeping fine and in good health. In our community we are all keeping fine and so far everything is going on well with us. As we all know since the Covid-19 pandemic, not very many activities are going on in our community Dhonekhona. However in spite of the lockdown we were able to start on time the new academic year 2021-22

through online classes. At the beginning of the academic year we had nearly 250 children but when the government gave permission to have physical classes nearly 100 more students joined our school. So this academic year we have nearly 350 students from class 1 to 10.

We are at the completion of lab, library and boundary wall work, which we had started at the lockdown time. During the lockdown we had a surprise visit by the Provincial Administration, by the Vice-Provincial, Rev. Fr. Saji Pamplaniyil. His visit and stay brought happiness to our community and mission, and we whole heartedly thank him for his presence, care and support. We had already completed our first semester examinations and continued regular classes from fifth to tenth classes. Now our students are getting ready for board exams and waiting for the examination dates to be announced by the state government of Arunachal Pradesh. Although the Covid-19 affected throughout

our state, we never stopped our village ministries. During the Advent season we visited all the villages, and administered the Sacrament of Confession and Holy Mass.

Dear fathers we are grateful to you for your constant prayers and support and request you to continue the same so as to strengthen our missionary activities.

Rev. Fr. Manickathan Paulose HGN

ST. PAUL SCHOOL, PATHARLAPADU

Dear Fathers and Brothers, we are so happy to come to you with the news about our mission here at Patharlapadu. Though due to Covid-19 our activities were limited, yet there are a few events which took place in our mission.

First of all we are happy to bring to your notice that by the grace of God and with your prayers and the financial assistance of some of our Fathers and some of our well-wishers we were able begin the house construction of Mr. Noah, one of our staff members in the school, who had been living with his family in a thatched shed for many years.

During the season of Lent, we could gather a few Catholic families for Holy Mass and prayers. Similarly we could also conduct Way of the Cross on 29th of March

2021 in a simple way only in the campus due to Covid-19 restrictions. We also had Holy Mass after the Way of the Cross. During the Holy Week we joined with our Seminary at Khammam for Maundy Thursday Services. We had our Easter celebration here with the Easter Vigil service and Holy Mass with the faithful available in the campus.

We also had the privilege to join our Pauline Community at St. Joseph's Major Seminary, Khammam for family gathering. We had two Pauline Family gatherings here on 23rd February and on Easter Day, 4th April 2021. Rev. Fr. Mathew Vengaloor HGN, Rev. Fr. Paulose Manickathan HGN, Rev. Fr. Jacob Oravanamthadathil HGN, Rev. Fr. Jaya Babu Thulimelli HGN and Rev. Fr. Sibi Thadathil HGN also joined the gatherings.

After the extended holidays due to Covid-19 pandemic we reopened the school only on 18th October 2021 for the academic year 2021-22. We celebrated Semi-Christmas in the school on 23rd December after which the students were given a short holidays till 27th December.

After a short Christmas vacation school re-opened on 28th December.

As we mentioned earlier the construction of the house for Mr. Noah, our school staff progressed well and by God's grace and the support of many, we were able to complete the work and make it ready. Thus we blessed the new house on 26th December on the feast of Holy Family and handed over to his family. Many of our members and some others offered prayers and their support in actualizing this project.

We wish to thank specially Rev. Fr. Tomy Thomas HGN for financially supporting this noble cause. Similarly we thank Rev. Fr. Saji Pamplaniyil HGN for taking the initiative to get some financial help through his friend from abroad. In a special way we thank our former and present

Provincial Superiors and their Teams who approved this charitable project, assisted with the needed financial support and took the lead to complete it successfully. Our special thanks to Rev. Fr. Jacob HGN for presiding over the Holy Eucharist and Fr. Jaya Babu HGN for sharing the word of God during the celebration. Similarly we thank all our Brothers from Khammam seminary for joining the celebration and all the Fathers and well-wishers for their prayers and support.

At present the school is functioning rather well. We seek your humble prayers for the growth of our mission and we too assure you all our sincere prayers for your well-being. Let us be united in prayers.

ST. JOSEPH'S ENGLISH MEDIUM SCHOOL, YERNAGUEDEM

St. Joseph Community, Yernagudem, is glad to share with you the news from this side.

The school re-opened for the scholastic year 2021-22 in September with a minimum number of students and by the middle of October the strength reached around thousand and from November the

school is running in full swing. The hostel is functioning only partially this year and far-away students who cannot reach by public means are admitted in the hostel.

In November we celebrated the feast of *Dasara* and in December we had the Semi-Christmas celebrations during which we distributed the provisions and other necessary items to the nearby old age home and to a home for the mentally challenged. It was materialized with the contributions from the part of the children and the management. Sri Talari Venkat Rao, the MLA of the place, was kind enough to be present here for the function and to hand over the materials. In January, we had the

celebration of *Sankranti* and before the holidays of *Sankranti*, sports and games were conducted for the children.

At present the classes are going on well and the preparations for the public examinations of the 10th class is on. We request your humble prayers for the 10th class students that they may all do well in the exams.

The community would like to thank Fr. Shabu Varghese HGN for his services as the Administrator for the last one year and a special thanks to all the Fathers who visited us and made us happy. All are welcome to Yernagudem!

ST. JOSEPH'S MAJOR SEMINARY, KHAMMAM

Greetings to all the members of Pauline family from little brothers at St. Joseph's Major Seminary, Khammam!

At the very beginning of our sharing, we wish you all a blessed Lenten Season and HAPPY EASTER! We hope and pray that you are doing well at your respective missions. Here we, Fr. T. Jaya Babu HGN and all the Brothers are keeping well through the blessings of God and your valuable prayers. We are aware of the reality that confines us to our places due to this pandemic, but still, this sharing makes us joyful to know the happenings of our communities. And here I let you know a few events of our seminary.

Academic Year 2020-2021

We began our first semester classes of the academic year 2020-2021 online due to the pandemic. On 10th of January, brothers returned to seminary and had the second semester off-line from January 15, 2021. Fr. Saji Sebastian HGN, Fr. Jibin Ambattu HGN, Fr. Selvan Lazar HGN and the Provincial Team made their visit on 17th of January. On the 30th of January, Fr. Saji Sebastian HGN, the then Provincial Superior made his visit to our community. We celebrated his Sacerdotal Silver Jubilee at our Seminary. The Year of St. Joseph was inaugurated officially on 20th of February. We offered a rosary of St. Joseph every Wednesday throughout the year seeking his intercessions for our Congregation. The off-line second semester was completed on 30th May, and Brothers left for their holidays on the 1st of June.

Academic Year 2021-22

Brothers returned to seminary for new intellectual search and thus the

academic year 2021-2022 was inaugurated on July 3rd 2021 in the presence of Fr. B. Balaraju HGN, the General Councilor, and Fr. Silvester HGN, the Treasurer General of Heralds of Good News. On 31st July, the Ashes of Fr. Stan Swamy was brought to our Seminary and we had Holy Eucharist and special prayers for the departed soul of the social activist who sacrificed his life for the welfare of tribal community in Jharkhand. On August 7, 2021, two brothers of the Josephite family were ordained deacons by his Excellency Rt. Rev. Dr. Paul Maipan, the Bishop of the Diocese of Khammam. Though it was late, St. Joseph's Seminary welcomed her Benjamins on 14th of August. The family received newcomers wholeheartedly. This academic year the Seminary has the strength of 73 Brothers in total for both the Departments of Philosophy and Theology. Four Brothers from other congregations too joined us this year (DMD – 1, MSTC – 3). Among 73 Brothers, 14 are from St. Paul Province. And we have 9 staff members this year under the guidance of Dr. N. Suresh Kumar HGN, the Rector.

The Keralites of the Josephite Family celebrated their traditional festival, *Onam*, on 21st of August. Fr. Jacob Oravanamthadathil HGN, presided over the Eucharist and joined us for the further celebrations. The first semester also witnessed a few events like Rector's Day, Foundation Day, etc. Brothers do exhibit their talents through the academic programs. During the semester holidays, Brothers of both 1st year Theology and

Philosophy departments got chances to learn the traditional musical instruments (*Parai*) and other few dances too.

The most remarkable events the Seminary had were the Parent's Meet and Seminary Day Celebrations. The family members of our Brothers took part in both the celebrations and Seminary honored all the parents who came for the programs. His Excellency Rt. Rev. Dr. Paul Maipan, the Bishop of Khammam on the Seminary Day laid the foundation stone for the new venture of Degree College of HGN in the presence of Very. Rev. Dr. Mathew Kallikatt, the Superior General of Heralds of Good News, and very many dignitaries also joined us for the celebrations.

On 25th December we celebrated the birthday of Jesus Christ very solemnly. And on the very next day we, the Pauline Brothers went to our community at Bonakal for the Christmas celebrations, and on 26th of December, we went to St. Paul School, Patharlapadu. We had delicious and sumptuous meals at both the communities and had great time there. Hence we take this opportunity to thank Rev. Fr. Jacob Oravanamthadathil HGN and Rev. Fr. Sibi Thadathil HGN for their timely visit and their love and care towards us. The Josephite family also celebrated New Year and welcomed 2022 with lots of hopes. Community arranged vaccination for all the brothers and we received both first and second dose of vaccinations. And we are happy that none of us are tested positive for Corona this year.

Our Brothers try their best to exhibit their talents in various activities and ourselves to be good heralds always. The achievements that our brothers made and are making are remarkable. We are so happy about the love and concern that all of you show to us through prayers as well as your precious visits. We express our gratitude to all the Fathers who made their visit to our community, especially Rev.

Fr. Saji Pamplaniyil HGN, Rev. Fr. Justin Painunkel HGN, Rev. Fr. Shaiju Berkmans HGN, and Rev. Fr. Mathew Vengaloor HGN. Once again wish you all a blessed Lenten Season and a very Happy Easter. We assure you our prayers and request you to remember us in your prayers.

We remain in love, Pauline Stars, SJMS.

Bro. Reneesh R.S HGN

On 3rd of January 2021, we had our community "Picnic" to "Cenacle", our newly built Provincial House and St. Paul Minor Seminary at Koratty. Brothers were amazed to see our new house at Koratty. We had three days of gathering there along with some of our Major Seminarians. All of us together visited the holy places like

Bharananganam and Mannanam. Brothers were very much refreshed and were happy to have a wonderful picnic. After the picnic Brothers had holidays and they were back to Seminary on 20th January 2021.

Regular monthly recollections and the confessions were in full swing and it enabled the Brothers to be more serious in their vocation and to discern their call to priesthood. On 5th February we celebrated the birthday of Rev. Fr. Thomas Olikunnel HGN, our Rector. On 17th February we started our Lenten observance with various spiritual exercises. Middle of February we began group studies for the third year Brothers in view of their final exams. Since the Government had postponed the date of Plus Two examinations to April they were allowed to go home for the study leave on 12th March and returned to the Seminary on 4th April. The first year Brothers finished their final exams and they also went home along with the second year Brothers by the end of March. On 4th April all the third year brothers were back to seminary and prepared for their plus two examinations. On 8th April exams were started for our

St. Paul Province of Heralds of Good News

For the new academic year 2021-22, our community is blessed with 28 Brothers in two batches. Rev. Dn. We had our traditional *Onam* celebrations on 21st August; the day was very colorful and jovial with the presence of our neighbouring community Priests. With the intention of improving our Brother's English language, English academy was inaugurated on 26th August. This year the entire month of October was dedicated as Marian month with the special recitation of the holy rosary. We had arranged the Marian quiz competition on 31st October. We were delighted to celebrate our foundation day on 14th October. On 5th November the community was overjoyed

because Rev. Fr. Johny Jose HGN, one of our staff members was ordained as Priest at his home Parish. We also celebrated our new Priest day on 10th November, our newly ordained Priests Rev. Fr. Johny Jose HGN and Rev. Fr. Pradeesh Mathew HGN made this day more colorful. On 17th November our annual sports competitions was inaugurated and we had our sports day on 9th of December. We began our annual retreat on 12th December under the guidance of Rev. Fr. Biju Thoompunkal HGN. On 19th December we were in the celebration mood, we had triple celebrations, we celebrated semi Christmas, Golden jubilee of our former spiritual director, Rev. Fr. Sebastian Pulinthanam and the ordination day of Rev. Fr. Geo Pulickal. On 22nd December Brothers were sent home for their Christmas holidays. Brothers came back and are now very studious as they are approaching their final exams. On this occasion we acknowledge the love and care of our Fathers who visited us on different occasions. Let us all be united in prayers.

ST. PAUL MINOR SEMINARY, KONOOR - KORATTY

May Christ's joy, peace and harmony pervade in all our lives.

It is a privilege given to the community here in St. Paul Minor Seminary to meet you all through these little words of sharing.

St. Paul Minor Seminary at Cenacle is well functioning by the providence of God and of course, by your valuable prayers. Though the pandemic Covid-19 partially affected the arrival of the new

recruits, however, by the grace of God and initiatives of the Vocation Promoters, the maiden academic year 2021-2022 was inaugurated on 29th June on the solemnity of our heavenly Patron. The ceremony was blessed with the presence of the former Provincial Administration and other fathers from nearby communities. Rev. Fr. Vipin Chirakkalakath HGN took charge as the first Rector of the Seminary on 5th July. Now here we are three Formators, Regent and twenty two Brothers of the first year batch.

The formation programme here is ultimately aimed at the training of saintly, hardworking, zealous missionaries as the object of our congregation states. For that purpose the Brothers here are encouraged physically, mentally and spiritually to follow the discipline of the Seminary strictly by participating in the different activities wholeheartedly. Family gatherings, cultural events, Quiz competitions and other spiritual and physical activities make the life of the Seminary renewed occasionally. The assistance made by the Fathers and Brothers of the Provincialate Community for the formation programme has to be mentioned specially, because their presence and support stimulate Brothers to grow with more vigor. Brothers here are extremely motivated by timely visits of our Priests from different missions. The annual retreat in the month of September at Divine Retreat Center, Muringoor, added more fuel to the spiritual growth of the Brothers.

We had a number of celebrations

which make the stay here more enjoyable and feel at home. Some among them are: On the feast of St. Thomas we had solemn concelebration of the Holy Eucharist presided over by Very Rev. Dr. Mathew Kallikatt, the Superior General of HGN and other Fathers of our Province joined the mass. In the month of August we had the grand celebration of *Onam* with different traditional competitions. On 15th August we celebrated the feast of the Assumption of the Blessed Virgin Mary and the Independence Day of our nation. On October 14th we celebrated the foundation day, Very Rev. Fr. Selvan Lazar HGN, our Provincial Superior presided over the holy Eucharist along with other Fathers. We had a cultural event in the evening. The special Rosary for ten days in the month of October was conducted with great devotion. We had our arts and sports competitions in the month of November. We celebrated Semi-Christmas on 16th December and on 17th Brothers left for the holidays. We celebrated the New Year with great joy and enthusiasm. We also had the Republic Day celebration with different programmes.

We look forward to your prayers for our community here, that we all may walk in accordance with Lord's will. We also assure you our prayers. May brotherhood and the joy of the heavenly kingdom spread through all our deeds!

Bro. Subin Sunny HGN

ST. CHARLES SEMINARY, NAGPUR

Greetings of peace and joy to you all. We are happy to share our joy and life in St. Charles Seminary, Nagpur with you all. Hope that you all are keeping fine. We are in Second year Theology and our academic year was inaugurated virtually on 10th of July. It was only in the month of August we reached the Seminary due to the pandemic difficulties. At present we have in the Seminary a total strength of 269 Brothers both in Philosophy and Theology. This year we have got 13 resident staff and new Rector, Fr. Acquinin Noronha O.P. We all in the Seminary are keeping well although the pandemic has adversely affected our time table in the Seminary. It is sad that many privileges of the Seminary have been withdrawn due to the pandemic. Still, we are happy and doing things well.

April 17th was a great day for us that 18 Brothers were ordained deacons. Again, April 19th was a day of blessings for us that we were installed into the ministry of Lector by His Grace Most Rev. Dr. Elias Gonsalves, Archbishop of Nagpur. In the month of October, the Rosary month, we

had special rosary and other prayers and the last day of the month was marked by whole day Adoration. We had a limited celebration of the Seminary Day on the feast day of St. Charles Borromeo, 4th of November. The presence of various study houses of different religious Congregations, keeps us always competitive in sports, conducting different sports competitions in the campus.

We celebrated Christmas, and our colorful cultural evening doubled our joy and the mood of celebration. The New Year celebration was also great. The Tribal Dance and the songs on the eve of New Year was altogether a different experience. Now the Deacons have passed out from the Seminary, and we expressed our gratitude to Dn. Tony Prasana HGN from the Mother Theresa Province, who was a big brother to us in guiding and helping us. We are also weekly battling with the exams as it is the need of time. However, it is our pleasure to share our life in St. Charles Seminary, and we assure you our prayers and request your prayers for us.

ST. JOSEPH PONTIFICAL SEMINARY, MANGALAPUZHA

Joyful wishes from St. Joseph Pontifical Seminary, Mangalapuzha. Here are some of the major events which took place in our Seminary.

The Seminary community was much enthusiastic and eager to welcome the year 2021 as we bid goodbye to 2020. On New-Year's eve, we had celebrations among batches and a common prayer session, where we thanked the Almighty for the assistance throughout the year. We started the fresh day of the year with a high-solemn Mass and prayed for the whole world.

January 6th was something extra-special for our Mangalapuzha Seminary because Rev. Fr. Sebastian Palamootil, the Rector and Rev. Fr. Siby Pulickal, the Dean (Faculty of Theology) were celebrating the Silver Jubilee of their Priestly Ordination. The Sacerdotal Silver Jubilee was celebrated with a con-celebrated solemn thanksgiving Holy Eucharist, where 15 staff from the Carmelgiri Seminary and Rev. Fathers and Sisters delegating various Seminaries and Religious Congregations were present. Very Rev. Fr. Chacko Puthenpurackal, the Rector of St. Joseph Pontifical Seminary, Carmelgiri preached a meaningful homily

and wished them prayerful greetings of the day.

In the evening there was a felicitation programme and we were doubly delighted to have Mar George Madathikandathil, the Chairman of the Synodal Commission for the Seminary who celebrated the Ruby Jubilee of his priestly ordination with us. The very presence of Bishops Mar Tony Neelankavil and Mar John Nellikunnel added colour to the programme. Rev. Fr. Kurian Mukkamkuzhiyil, the Procurator welcomed the gathering and Mar Tony Neelankavil, Mar John Nellikunnel, Fr. Paul Komban and Brothers felicitated and conveyed prayerful wishes to them.

With the Apostolic Letter "Patris Corde" ("With a Father's Heart"), Pope Francis recalls the 150th anniversary of the declaration of St. Joseph as Patron of the Universal Church. To mark the occasion, the Holy Father has proclaimed a "Year of Saint Joseph". As St. Joseph is the Patron of our Seminary, the Seminary community inaugurated the year of St. Joseph on 7th January 2021. Mar George Madathikandathil began the Year of St. Joseph by lighting the lamp.

The MSLA of Seminary organized a Social Drama Competition for the Philosophy Students. The Competition was arranged from 8th January to 12th January 2021.

In the month of June we inaugurated the New Academic year 2021-2022. Though there were many issues due to the pandemic Covid-19, refreshed in mind and renewed in spirit, the whole Seminary community gathered together to rejuvenate its unity on the eve of 22nd July. It was the first family gathering in the new academic year.

On July 30th Mar Prince Panengadan,

the Bishop of Adilabad Diocese, addressed the community on the Needs and Challenges of Missionary Life. Bishop advised us to be aware of the fact that the Church by its very nature is a missionary. Total sum of his message was for a fruitful missionary endeavor, certain preparation should be made and all should be always ready to go for the mission. Also, Bishop ignited the community by sharing his personal experiences and giving guidance.

The Seminary commission made their first official visit for the Academic year 2021-2022 on 10th August. The Syro-Malabar Synodal Commission for the Seminary - Mar George Madathikandathil, the Chairman and Mar Tony Neelankavil, the Auxiliary Bishop of Trichur paid their first visit to the Seminary on 10th and 11th August 2021. Sebastian Palamoottil hoisted the national flag. In his message, he recalled the sacrifice of the freedom fighters and reminded the duty of each citizen of India. Shri. M.O. John, the Municipal Chairman of Alwaye, inaugurated the official meeting conducted in connection with the Independence Day celebrations.

He spoke about the specific contribution of the Church for the realization of individual freedom and human dignity, especially in the field of education.

Recalling the vision of prosperity for all people, the Seminary community celebrated *Onam* on 21st August. Rev. Fr. Rector inaugurated the *Onam* celebrations. The celebration included solemn procession, games and thereafter a lunch together with the whole Seminary community.

Mangalapuzha bid adieu to 45 Deacons who successfully completed formation for priesthood. On 21st November, whole Seminary gathered together before the Altar of the Lord and made special prayer for the Deacons. In the farewell gathering, Very Rev. Fr. Rector Sebastian Palamoottil extended farewell wishes to Rev. Deacons. Representing them Rev. Dn. After completing four years of Theological course on 22nd November, I stepped out from St. Joseph Pontifical Seminary, Mangalapuzha. These years were the best days of my life, the Seminary and its surroundings taught me good lessons for the future pastoral ministry.

Wish you all the best and I remain with love and gratitude for all the prayers and support. May God bless us all through the powerful intercessions of both St. Joseph and Mother Mary!

ST. JOSEPH'S PONTIFICAL SEMINARY, CARMELGIRI

Greetings of love and peace to all from Carmelgiri Seminary, Alwaye. We are very much happy to meet and greet all of you through this loving letter.

At the very beginning we congratulate and say all the very best to the newly elected Provincial Team. And also we thank wholeheartedly the former Provincial Team for their magnificent effort that they have shown for the entire growth of our Province and the Catholic Church at large. And we owe a special thanks to our former Provincial Team for sending me and Bro. Johns to this Seminary. We are very happy to be here and to grow holistically towards priesthood. We are spiritually and academically well motivated by our formators.

Due to the Pandemic Covid-19 our Seminary days here, always have a different and creative look. Our outing days were spent something differently by having campus outing where each batch separated themselves and cooked food for the day. It used to be really a joyful moment for the staff and students alike. Lot of batchwise competitions were conducted and also had

a competition of short film. In the month of February 2021, on the occasion of institution of the Ministries of Acolytate and Lectorate, our Brother Johns Jose was privileged to receive the Ministry of Lectorate from His Excellency Rt. Rev. Dr. James Anaparambil, the Bishop of Alleppey.

We anticipated the feast of St. Joseph, the Patron of Seminary due to the exams which fell on the proper feast day. All Fathers and Brothers celebrated the day along with the domestic staff with an "*Oottunercha*" where there were lot of dishes like *Onam*. The exams were conducted from the 8th of March to 23rd of March. On 23rd after the exam we had an hour of adoration for thanking the Lord for his care and support throughout the past academic year. And the annual vacation was begun from 23rd of March. Thus the academic year 2020-2021 came to an end.

After the holidays our new academic year 2021-2022 was commenced on 5th July 2021. During this new academic year we had so many creative activities. And some of them were Academies on contemporary issues, timely conducted Seminars and growth sessions with Animators, talks by scholarly personalities, arts, sports, intellectual competitions, batch gatherings, spiritual gatherings, musical nights, etc. All these activities make everyone here in the Seminary well engaged and happy even in this pandemic situation. Almost

one hundred and fifty Brothers are here including Philosophers and Theologians guided by twenty five Staff members. There are also day scholars from different Congregations to do their studies. We also have a community of Carmelite Sisters and they take care of many departments in the Seminary like library, bookstall, kitchen etc. Often visits of Bishops cherish everyone here with their loving words and by providing something special for us all. All these existing factors at Carmelgiri

contribute a lot for our wholistic growth. We are well accepted here as Heraldians. Our new library is almost at the end of its construction. Please pray for the good accomplishments of it.

As I conclude this letter, dear Fathers and Brothers, we hope and pray that you all be safe and sound at the hand of the Almighty. Praying for all. We believe that you all pray for us.

Bro. Sebin Xavier HGN

GOOD NEWS SNEHABHAVAN, KAKKOOR

Greetings of peace and grace to you from Good News Snehabhavan, Kakkoor. We are happy to meet you all again through this Newsletter. Hope you all are safe at your respective places. We the staff and inmates are doing well here by God's grace.

One of our inmates was transferred to Bethlehem Geriatric Care Home at Mulanthuruthy in April for better palliative care which we could not offer here. We are deeply saddened by the death of two of our inmates due to Corona Virus in the month of May. Due to Corona Virus pandemic the contributions are reduced, still we experience the love of God through some of the good and kind people who provide food for us from time to time. Also Sisters of Providence from Vilangu, Kizhakkambalam still support us with some grains and other provisions. We cultivate different vegetables to support our daily needs as well. It is almost two years since we don't welcome any visitors or relatives of the inmates to our community due to Corona Virus pandemic. We are very grateful to Rev. Fr. Johny Jose HGN and

Br. Thadaus HGN for all the services they offered to our community especially from the time of lockdown. We remember them gratefully for their services.

We were also privileged to have our Superior General, Very. Rev. Dr. Mathew Kallikatt who was kind enough to visit our house and celebrate Holy Eucharist with us. We remember him gratefully for his love and appreciation for our ministry here.

Rev. Fr. Justin Painunkel HGN and Bro. Bobby Mathew HGN joined the community in the month of July. We did celebrate 'Onam' as in the previous year without any outsiders. It was celebrated in a quite beautiful manner with the involvement of all the inmates and staffs. The inmates were very happy and were too much excited to make the 'Pookkalam' and prepare the 'Onasadhya.' After the Provincial Assembly, Very Rev. Fr. Selvan Lazar HGN, our newly elected Provincial Superior visited us and spent some time with us.

We had the great privilege to celebrate the eve of Christmas in a splendid manner with a beautiful crib, illuminations and crackers with the active participation of everyone in our community. It was a very beautiful celebration indeed. We bid farewell to Rev. Fr. Justin Painunkel HGN who was transferred to Pampady for his further ministry and we did welcome Rev. Fr. Pradeesh HGN to our community as a

new member. We are very grateful to Rev. Fr. Justin Painunkel HGN for his services and initiatives. We really enjoyed his stay with us even though it was only for few months. At present some renovation works of our kitchen is being done.

We are indebted to the former Provincial Administration for their concern and appreciation for the ministry in Good News Snehabhavan, Kakkoor. We also express our gratitude to the present

Provincial Administration for their loving care and encouragements towards our ministry. We are very grateful to the Fathers and Brothers who spent their valuable time to visit us. Thank you Fathers and Brothers!

Once again we wish you all a very good time and may the good Lord protect you from the pandemic. May God bless you all!

GOOD NEWS ASHA BHAVAN, VAGAMON

Greetings from Good News Asha Bhavan, Vagamon. We are very happy to share with you tidings from our community through this Newsletter. We the Asha Bhavan family, the staffs and inmates, all of us are fine and doing great. To say about the inmates, at present we have 19 inmates. The third wave of Covid-19 affected badly the activities of our inmates. Now we are slowly overcoming the difficulties and trying to regain the normal timetable and life style in our community. In spite of this problem, we are able to give good care to our inmates.

Last year we made an attempt to make surroundings beautiful by planting lot of flower plants and fruit plants. Due to heavy raining and bad climate, the result

was not very successful. Still we are trying our best to do more.

On 3rd February 2022 Rev. Fr. Sunny Parambukattil HGN celebrated his thanksgiving mass for the parishioners. The parishioners of St. Antony's Church, Vagamon thanked him for his wonderful service that he rendered for the past few years. On 7th February 2022 I, Fr. Dear Fathers in Jesus Christ,

Greetings from Good News Retreat Centre, Pampady. At the very outset we thank all the Fathers and Brothers of our Province for your valuable prayers and support for the successful completion of our new Retreat Hall at Pampady amidst this pandemic. Indeed, it was a great blessing from our Lord. The Hall was inaugurated on March 25th on the feast of Annunciation, by His Excellency Rt. Rev. Dr. Sebastian Thekkethecheril, Bishop of Vijayapuram, in the presence of Very Rev. Dr. Mathew Kallikatt HGN, our Superior General, Very Rev. Dr. Saji Sebastian HGN our former Provincial Superior and many of our Fathers. We thank everyone for your magnanimous presence and words of encouragement.

With a grateful heart we thank the former Provincial Administration for the

pain and hard work to raise the fund to actualize this grace filled retreat hall. We also thank Rev. Fr. Sunny Ellickal HGN who worked hard in the initial stages of construction as our Administrator, we wish him all the best in his place of ministry.

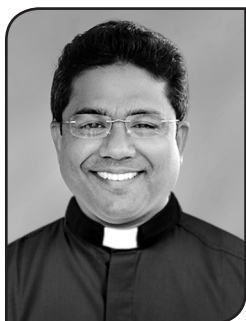

As the coronavirus situation has affected everyone's life, the Retreat Centre could not conduct any residential Retreat for the past few months. Yet God has given us ample opportunities to proclaim His Word online. We, Rev. Fr. Joseph Kandathiparambil HGN, Rev. Fr. Anthony Ambattu HGN and Rev. Fr. Jince Cheenkallel HGN are conducting Tapas Retreat every month online for various groups. The participants are spiritually enriched and encouraged attending the tapas retreat. The new Hall of the Centre is used for daily continuous adoration and Sunday Holy Eucharistic celebration.

All other day to day activities especially the prayer services are going on well by the grace of God. All of you dear family members of St. Paul Province are in our prayers. Let us continue to pray for each other encourage each other and may His name be glorified.

PARISHES OF SS. PROSPERO AND ICOPO, PISA, ITALY

Dear Fathers and Brothers,

Fraternal greetings of peace and joy of the Lord from the Parishes of San Prospero and San Iacopo in the Archdiocese of Pisa in Italy! I hope you are all hale and hearty. I am doing good. It is my joy to share with a snippet of news from my place of ministry. I am in the above mentioned community of Parishes as its Pastor. I reached here on 12th of October 2021 and took charge of the Parish after the quarantine on 24th October 2021. I have a total number of about 2500 parishioners. Though many of them don't participate in the liturgical celebrations, they are all happy to have a Priest in the Parishes. Due to the recurring presence of Covid-19, the participation in the Sunday Masses is 60 percent in relation to the Pre-pandemic period. Though the Italian language was not alien to me, I began my pastoral ministry as a novice as it is for the first time that I have a direct and full-fledged pastoral experience as a Parish Priest. As beginner I seek the advices and information

and learn from rich experiences of my seniors. My predecessor in the Parishes is Rev. Fr. Reji Joseph HGN. Since he has done a commendable job in the Parish, it is easier for me to continue the good work he has already done. I am happy and satisfied in the place of my ministry as I have a lot of time to relax, read, reflect, meditate and pray as the Parish work in my Parishes is not very demanding and challenging in relation to the many Parishes in India and PNG where some of our brother - Priests are working. Though one may be disappointed in the faith and moral formation, life is more secure and safe here as it is the same in all the western developed countries. I am very grateful to Very Rev. Fr. Selvan Lazar HGN, our Provincial Superior, and the Provincial Council for having given me an opportunity to have this particular experience in this phase of my life as I am well aware that I would not have this break if not for our Province and Heralds of Good News. I think of our Province and all members of our Province in my humble and daily prayers with great appreciation for what we are and awesome admiration for our Priests in the harder missions whom I always consider as missionary heroes of our Province. Please remember me and my parishioners too in your valuable prayers that God's will be done in our lives always.

MISSION IN GERMANY

Greetings from Germany,

Like in most parts of the world, Germany also is moving along with 'Corona'. There are still a lot of restrictions in effect, but the life is seemingly normal. It takes still some time to have big typical German celebrations like packed football stadiums, wine and beer feasts, carnivals etc. The German people are known for their adherence to rules and regulations. To get out of the corona situations they forgo, though painful, many of their typical favourite celebrations.

The life in the Church also is not much different. Till recently in some parts of Germany it was mandatory to register the names before attending the Church services including the Holy Mass. The Church follows a 3G regulations, Genesen, Getested and Geimpft (recovered, tested and vaccinated respectively). Even during the pandemic, the Church attendance remained rather balanced. But the percentage of practicing Catholics in Germany is between 5 to 7, which means less than the total number of the Syro-Malabar Christians. Alarmingly, high number of persons are leaving the Church

every year. The Church tax (almost 9 % of the income), increasing apathy towards religion and faith, several scandals etc. are the main reasons behind this mass exodus. The children and the youth are almost away from the Church. The number of Catholics and Protestants are almost equal in Germany. But the single large entity is 'no-religion' group. They need not pay the religious tax. The Germans are known for their generosity, open-mindedness and high respect for human rights etc. As we read in Romans 11:5 "So too at the present time there is a remnant, chosen by grace" still there is a very lively and vibrant community of believers. They make use of every opportunity of an encounter with God.

Our Province has 13 Fathers working in 4 different dioceses in Germany namely Trier-2, Muenster-5, Eichstatt-2 and Passau-4. We mainly carry out the spiritual activities like celebrating the Holy mass, Baptism, Marriage, Anointing the sick, bringing the Holy Communion to the sick etc. Another main duty is burying the dead. Germany has a very high aged population. I myself have conducted more than 400 burials in over 4 years. We had an annual gathering in November 2021 in the presence of the Provincial Superior and another online meeting in December. All the Fathers are keeping in good health. The winter season is still in full swing and we are expecting warmer days ahead. All the very best wishes to all.
